ADPH provides latest recommendations concerning COVID-19 outbreak

by Linda Hodge, Editor

In response to the increasing number of positive cases of COVID-19 in Alabama, The Alabama Department of Public Health (ADPH) had made the following recommendations concerning public gatherings, food establishment and other retail venues, and businesses [as of The Elba Clipper's press time Tuesday, March 17]:

- No mass gatherings of 50 persons or more, or gatherings of any size that cannot maintain a consistent six-foot distance between participants (with exceptions noted below). This may include festivals, parades, assemblies, or sporting events.

- Senior adults or those with chronic health problems should avoid gatherings (outside of close family) of 10 or more persons, and should avoid travel by air, train or bus.

- For retail business, including restaurants, limit patronage at any one time to 50% of the normally allowable capacity. Restaurants should maintain a six-foot distance between tables.

- Public buildings should consider whether visitation may be limited. Hospitals, nursing homes and assisted living facilities are encouraged to implement visitation policies that protect

COVID-19 Testing

Call the Alabama COVID-19 24/7 hotline at 1-866-264-2255 for testing sites and hours of operation.

Situation Summary

In December 2019, a new (or novel) human coronavirus (SARS-CoV-2) type emerged in China. At this time, it's unclear how easily this virus is spreading between people. Patients with confirmed COVID-19 infection have reported mild to severe respiratory illness with symptoms of fever, cough, and shortness of breath appearing anywhere from 2 to 14 days after exposure. Learn more about coronaviruses, how they present, and how they are tested by visiting Human Coronaviruses.

This is an emerging, rapidly evolving situation. The Alabama Department of Public Health (ADPH) and the CDC are providing updated information and guidance as it becomes available.

vulnerable persons.

- All persons should consider whether out-of-state travel plans may be delayed or cancelled.

- Participants in religious services or events, weddings, funerals and family events should exercise prudence and maintain consistent six-foot distance between participants if possible.

- While workplaces should attempt to heed to these recommendations whenever possible, it is understood

that exceptions may be needed for essential government functions, municipal and state legislative bodies, and health care facilities including clinics, hospitals and pharmacies. Consider using means for electronic or video meetings in workplaces if possible.

ADPH continues to work with the Centers for Disease Control and Prevention (CDC) and other agencies to provide guidance regarding COVID-19. As of 3:30 p.m. Tuesday, there were 39

confirmed cases of COVID-19 in Alabama (see graphic for breakdown by county), however, no deaths had been reported in the state as a result of the virus at that time.

Officials said it is most important at this time for citizens to know that "if a person has COVID-19 symptoms, they should call their primary health care provider or urgent care facility. Do not go to the nearest primary health care provider, emergency department or urgent care clinic before calling."

Early Tuesday morning, Governor Kay Ivey released a statement on updated guidelines in Alabama's efforts to flatten the curve during the COVID-19 situation. Out of an abundance of caution, she said ADPH had recommended against gatherings of 25 persons or more where a 6-foot distance cannot be maintained for Jefferson County [thus far the hardest hit county in Alabama] and its surrounding counties of Tuscaloosa, Walker, Blount, St. Clair and Shelby.

Additionally, the governor said [for the above-mentioned counties] any restaurant, bar, brewery or Category 3 food service establishment shall not permit

Harold Flowers volunteered Saturday, March 7, to help Elba Lions Club members with their annual Pancake Breakfast fund raising event. This year's event drew a larger than normal crowd, thus keeping Flowers busy flipping those 'cakes throughout the morning.

Large number turned out earlier this month to support Elba Lions Club annual Pancake Breakfast

by Linda Hodge, Editor

The Elba Lions Club held its annual Pancake Breakfast fund raising event Saturday morning, March 7, and a huge crowd of people came out to support the local civic organization.

Lions Club members said they served more than 450 plates during the 4-hour event with a steady flow of traffic throughout the morning. They reported the event to be highly successful this year and thanked the community for its overwhelming support.

Not only did hundreds pay to eat, but the club also was supported by numerous sponsors and contributors.

The Elba Lions Club is a member organization of Lions Club International, a worldwide organization with chapters in virtually every country in the world. The Lions Club's principal purpose is to support programs to prevent blindness and to aid people in surgical care for eye diseases.

The Lions Club International also supports medical research, vocational research and disaster relief.

The Elba club also supports Alabama Lions Sight Conservation.

According to the club by-laws, any monies gained through fund raising activities, such as last Saturday's pancake breakfast, must support projects to help people and organizations serving them. The annual Pancake Breakfast is the main fund raising source for the Elba Lions Club.

Since last year's pancake breakfast event, the Elba Lions Club supported the following:

- \$350 for local sight projects by providing eye exams/glasses for five Elba residents;
- \$1,000 to the Alabama Sight Conservation to assist persons needing eye care, from exams to surgery. Last year, Alabama Sight assisted more than 3,500 fellow citizens.
- \$500 to the Lions Club International Foundation

Elba City Schools closing for two and a half weeks under advisement from state due to COVID-19 outbreak concerns

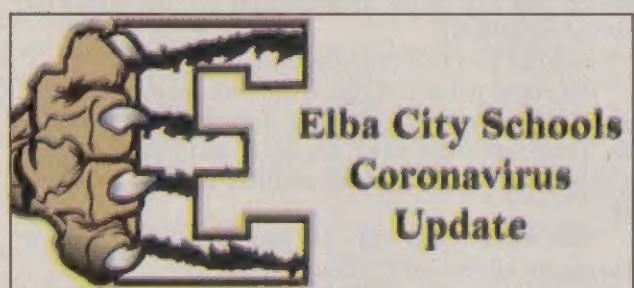

by Linda Hodge, Editor

Elba City Schools superintendent Chris Moseley first addressed concerns surrounding COVID-19 [coronavirus] Friday, March 13, involving activities for Elba City Schools. He has continued to update local citizens as new developments arise [almost daily].

"As we have worked daily on our precautions as

a system, we have also continued to monitor updates from the Alabama Department of Public Health (ADPH) and the State Department of Education," Moseley said. "The latest updates have advised us of two items in particular."

Currently, the superintendent said the advisement to schools is to base any cancellations and/or postponements of activities on the target date of through

April 30, 2020. He said things could certainly change between now and then and that date be lifted, but for now, it is the date the state department officials are advising to go with for cancellations and/or postponements.

On March 13th, Moseley said state officials had advised canceling or limiting any event where it would be expected to have 500 or more people gathered. He said this would include performances, plays, athletics, conferences, etc. He added that amended activities may still be appropriate if attendance is limited.

That number, proposed by ADPH, dropped to gatherings of 50 as of Monday

of this week.

Also, Moseley said the state advised postponing or canceling any and all field trip, whether inside or outside the state [through April 30th].

"As a superintendent, we all felt like this was coming," Moseley said. "We hate it, but the safety of our children has to come first."

Moseley said he had met with administrators and

New date scheduled for Saturday, May 9th Elba's Foggy Bottom Cruisin' Car show postponed

Due to the ongoing coronavirus [COVID-19] pandemic, Elba's 2nd Annual Spring Foggy Bottom Cruisin' Car Show has been postponed until Saturday, May 9th.

The event originally was set for this Saturday, March 21, in downtown Elba.

On Saturday, May 9, the event, presented by the Foggy Bottom Cruisers, will be held on the square in downtown Elba from 10 a.m. until 2 p.m.

Car registration will be from 8-10 a.m. There is a \$20 fee to enter the car show, and all proceeds will benefit the Elba Public Library.

Trophies will be awarded to the winners of the car show - all makes and models of cars and trucks welcome!

There also will be arts and crafts exhibits on the

square during the event.

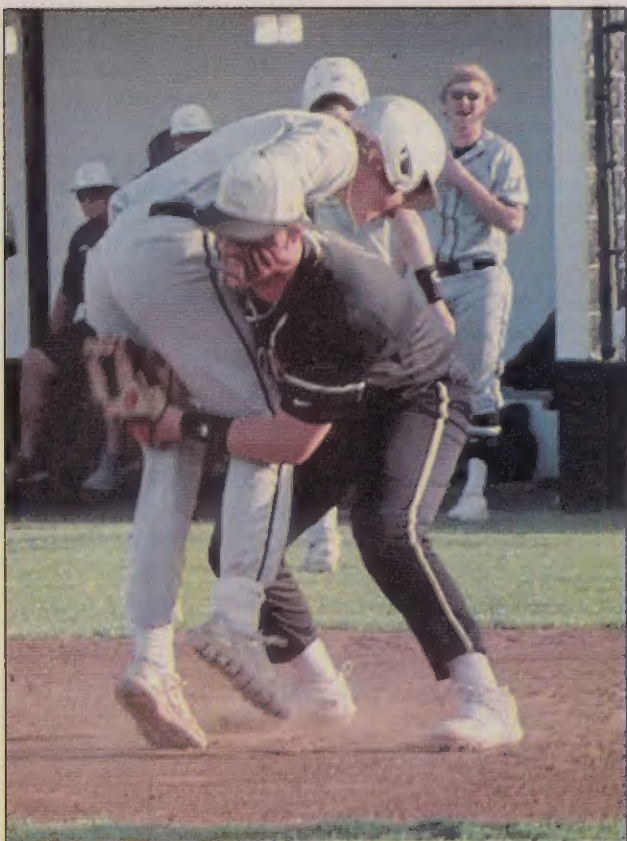

For more information on the car show, contact Kenneth Calhoun at (334) 313-5505. For more information

regard arts and crafts exhibits, contact Larry Goodson at (334) 464-1613.

There is no admission charge to attend this community event.

CONCERT CANCELED!

Due to concerns over the coronavirus [COVID-19] pandemic, the Southeast Alabama Community Band concert that had been scheduled for Monday, March 23, at Elba High School has been canceled.

THIS IS BASEBALL NOT FOOTBALL! The Elba Tigers varsity baseball team originally was scheduled to host Wicksburg for a game Monday, March 16, but that game was canceled. So, the Tigers took advantage of the 'unknown' due to the COVID-19 concerns shutting down their season for at least the next 2 1/2 weeks [if not more] and played an intrasquad game Monday evening. The team's three seniors were honored prior to the start of the scrimmage game [look for these photos in next week's paper] and a celebration was held after the game. Above, senior Chanler Coppage has a bit of fun with sophomore Carson Wise as he attempts to 'tackle' Wise to keep him from scoring. The black team eventually won in 6 innings defeating the gray team 4-3, but more than anything, the group made the best of the situation and had fun!

"WORRYING does not take away tomorrow's TROUBLES; it takes away today's PEACE." - Unknown

The best one we have heard lately is probably: "CDC officials have advised that wearing a Florida State jersey could protect you from Coronavirus 19 after noticing last season that players wearing Seminole jerseys couldn't catch anything!" Oops, we have both a niece and nephew who are FSU graduates that now will surely have us on their bad list!

Seriously, we have read oodles of comments of "if so-and-so, then you are immune to this new virus. Each of those statements was surely put out as a joke but have been swallowed hook, line and sinker by the social media crowd. The truth is that none of those theories would have created an immunity to something that just recently evolved for another virus.

Another thing we have noticed recently on social media sites is that the nonbelievers in the reality of this ongoing pandemic who didn't believe it existed at all have either changed their opinion or just decided to hide under a bush until they could come back out and say, "I told you so."

Many food establishments are pushing their "to-go" meals during this worldwide concern over the Coronavirus. All during the day Monday we were getting notices of food establishments and other retail outlets, along with churches, government and medical facilities that were offering modified service to their customers. Late Monday afternoon our taste buds lit up when a Red Lobster e-mail popped in offering FREE DELIVERY. Our love for cheese biscuits and shrimp took over our brain but alas the fine print limited the service to an area that didn't include Elba. Now we are struggling to settle down and get back to work.

The annual antique car show scheduled for Saturday on the Square in Elba is also a victim of the Coronavirus. The event has been delayed until May 9th. Promoters of this event were expecting the largest ever display of restored motor vehicles. However, we still take a moment to salute the private citizens who are promoting this very popular event in our community. It supports our very strong opinion that citizens should not sit back and wait for government to do everything for them!

Our son-in-law Tom drove to Elba Monday. Daughter Michele thinks he was proving he could still drive on the 4-lane highways, in spite of his major stroke several months ago. His doctor's visit in Birmingham last week gave him courage, even if it did include a stricter diet. Frankly we didn't even fuss at him when he drove up in front of the office. Our reason? Well, he was bringing a cooked roast, fresh pound cake, assorted vegetables, home made muffins, etc., for our consumption. Enough 'good' stuff to last two old folks a full week and maybe longer!

Politics can come out in the weirdest ways. Some folks are claiming the Coronavirus response is lacking in substance and blaming President Trump. True, some of his early comments contradicted statements by medical experts but blaming him for the pandemic - oh come on folks get a life!

Of course, there is the flip side of the political issues who are claiming that Trump's distractors are causing the whole thing. Folks, you need to get a life as well!

Let's all listen to the medical experts as they learn more about the new virus and pass on 'learned' advice on how to move forward with prevention and/or treatment of the Coronavirus 19, Chinese Coronavirus or whatever you choose to call it. It is also time for all our friends to reflect on any personal opposition to vaccinations designed to prevent infections.

Coffee County 4-H conducts Bake Off contest for students

Kayden Moseley was all smiles over her Chocolate Drop Cookies for the Coffee County 4-H Bake Off contest!

Editor's Note: This column is intended to add a bit of humor to our daily lives...Read for enjoyment.

The coronavirus is on everyone's mind right now. You cannot escape it anywhere.

Even Cuzin Lou Lou has been drawn in to trying to stay on top of the latest news regarding the circumstances of this pandemic. Admittedly, she was a bit uninterested to begin with; however, when the nation started shutting down things - sporting events to be precise - Cuzin decided there was more to this matter than she first thought!

Then... out of nowhere, the stores began running out of necessary daily items.

"What in the world of Yonder is going on!?!?!" Lou Lou exclaimed. "I cannot for the life of me understand why people need so much toilet paper for an illness that is a respiratory thing!"

Before Lou Lou knew it, the list of in demand products grew, and she found herself making a trip to the store too just to get enough groceries to get by until the hoarders calm down.

Cuzin Lou Lou decided the immediate panic over the 'unknown' of this new illness had folks taking care of #1 by buying up all they could in case EVERYONE gets sent home on quarantine for a lengthy time. While she decided that was most likely an over-reaction by many, truth was that spending more time at home and away from all the extras in life for a bit might be the best way to combat the COVID-19 [that name just seems like some James Bond stuff to Lou Lou... she chuckles every time she says it while using her best Bond accent].

Then, last Saturday, Sister, of all people, explained the toilet paper rush to Lou Lou.

You see... Sister had decided she needed to make a trip to the wonderful world of Wal-Mart to get some items she needed [not any on the high demand list, but things she needed regardless].

She called Lou Lou from the store.

"You could never imagine what I am seeing here, Lou Lou!" she insisted. "People have cleared out the medicine aisle. There is no toilet paper, nor wipes, and you get laughed at if you ask where the hand sanitizer is...it is unbelievable."

"That wasn't even why you went there...why are you looking for all that stuff?" Lou Lou asked.

"I could not help myself. I just had to see what all was gone!"

"It's that nosy nature of yours, I see," Lou Lou quipped. "Hush! That is not true. Anyways, that is not why I called you!"

Well...

"I called to tell you that I figured out the reason why so many people are buying all the toilet paper."

Lou Lou could not wait for this one!

Sister went on to explain that the item 'sold out' that most intrigued her was that all the cooking oil was gone from the shelves over in the food section.

"Why in heaven do people need that much cooking oil?" Lou Lou questioned.

Sister had the answer!

Sister decided that people were buying the cooking oil to perform a 'self clean' of their system to prevent themselves from 'catching' the coronavirus...thus the need for an abundance of toilet paper!

All jokes aside. Please adhere to the recommendations of the health experts as we all do what is necessary to get past this pandemic. A little inconvenience now could go a long way in our future health!

Until next time...God Bless and Keep Smiling!

Coffee County 4-H conducted its annual Bake Off event for students last week, and the results are in with multiple schools represented by the winners.

The first and second place winners from the event will represent Coffee County in June at the 4-H Regionals to be held at Troy University.

The Coffee County Bake Off winners were: 1st Place - Emory Kinsaul, 4th grade at Kinston Elementary; 2nd Place - Emily Grace Peeples, 4th grade at New Brockton Elementary; and 3rd Place (three-way tie) - Cailyn Sanders, 5th grader at Zion Chapel Elementary, Kayden Moseley, 4th grader at Elba Elementary, and Ava Coggins, 4th grader at Zion Chapel Elementary.

Left, Elba Elementary School fourth grader Kayden Moseley shows off her third place winning Chocolate Drop cookies while the photo below gives a closer look at the yummy goodness! Kayden is the daughter of Chris and Jennifer Moseley of Elba.

The Chocolate Drop Cookies entered into the Coffee County 4-H Bake Off contest by Kayden Moseley looked like pure yumminess!

ALEA modifies Driver License Division operations due to COVID-19

The Alabama Law Enforcement Agency is modifying its Driver License Division's statewide operations in response to the Coronavirus (COVID-19).

ALEA's Secretary Hal Taylor said, "ALEA is dedicated to providing public safety to the state and its citizens and will continue. When Governor Ivey declared this state of emergency in response to the Coronavirus (COVID-19) pandemic, we and other state agencies were charged with determining how best to ensure continued operations without risking the health of the public or our personnel."

Because ALEA's Driver License Division touches the lives of many, operations have been modified, he said. Effective immediately, Driver License Division:

- Has suspended road testing (including CDL)
- Discourages anyone with a weakened or compromised immune system from visiting any Driver License locations
- Reminds everyone all Alabama driver licenses and non-driver IDs have a 60-day grace period following expiration date (Code of Alabama, Title 32-6-1). Customers may wait to renew
- Encourages online services for anyone who must renew or obtain a duplicate driver license/STAR ID or non-driver ID at

https://www.alabamainteractive.org/dl_renewal/welcome.action. To obtain a first issuance of a STAR ID, customers must visit an ALEA Driver License office

- Encourages everyone to visit www.alea.gov or to contact their local Driver License office prior to a visit to ensure the location is open. (Information may change daily, so check often). Office phone numbers are at www.alea.gov

- Has begun curbside check-in and screening at ALEA's Driver License offices. Everyone is asked to follow instructions posted outside each location and wait at their vehicles to reduce potential exposure

- Reminds anyone in need of driver license reinstatement services to conduct this business by phone or mail. Following is a list of Reinstatement Office phone numbers:

- Birmingham: 205.252.0426
- Dothan: 334.983.5616
- Huntsville: 256.536.2365
- Jacksonville: 256.782.1322
- Mobile: 251.660.2330, ext. 5
- Montgomery: 334.242.4400
- Opelika: 334.737.1665
- Sheffield: 256.383.9991
- Tuscaloosa: 205.553.3511

Secretary Taylor said, "We ask everyone to be pa-

tient and to work with us to ensure the health and safety of both the public and our personnel are not compromised. Please continue to check our website for the

most up-to-date information as COVID-19 response may require additional changes in the way we serve our customers."

What are Some Ways to Personalize the Funeral Procession to the Cemetery?

When a funeral moves from the site of the memorial service to the site of the burial, it's often necessary for mourners to pile into their vehicles and do a bit of traveling. This is what's known as the funeral procession, and it's an important part of traditional funeral services. In fact, there are even some customs and traditions concerning what order the vehicles go in.

You don't have to adhere to such traditions if you don't want to, of course, and even if you value the customs regarding the funeral procession, there are still some ways in which you can personalize it.

One simple option is to provide funeral attendees with some floral arrangements they can add to their vehicles—fastening them to the mirrors or the hood of the car. These can be a subtle way of distinguishing the cars in your funeral procession.

You can also consider the option of enlisting a special vehicle to lead the procession. For example, in more agrarian communities, the funeral procession is sometimes led by a horse or even a tractor. In a more metropolitan or suburban setting, a horse-drawn carriage can sometimes be employed. Fire trucks are sometimes chosen to lead the procession, and even something like a beloved fishing boat, when placed on a trailer, can be part of the lineup. And if your loved one was a bike enthusiast, motorcycle hearses are a popular option.

If geography permits, you might even direct the funeral procession on a brief, scenic detour—perhaps near a park, green area, or historic building that held some importance for the deceased.

There are a number of ways in which you can make the procession feel more personal. For some additional ideas, don't hesitate to ask your funeral director, who will be happy to help however possible.

Pastor's Corner

by Tonia Lewis, Benevolence Counselor
CHRISTIAN MISSION CENTERS INC

Have you ever been in a messy situation and someone came and intervened?

Maybe it was an uncomfortable conversation. Maybe it was a bit more serious like a toxic relationship. But either way, the person's intervention delivered you from it.

Do you remember how you felt being released from whatever the binding situation was? Free, right?

Let's look at Moses today. Moses is the Old Testament hero who delivered God's people, the Israelites, out of their captivity in Egypt. Can you only imagine how they must have felt? Forty years in bondage then released to live their lives in freedom.

Grab your needle and thread today. Moses is an amazingly heroic deliverer. This one may be hard to beat, right? What could possibly top delivering an entire people group from their forty-year captivity? Let's sow our way over into the New Testament.

Are you breathing? Then you are a sinner. Is your sin greater or less than someone else's? Absolutely not. ALL sin is ugly.

We are all filthy rags (Isaiah 64:6). Not only are our sins ugly, but they are also binding. Just as the Israelites were being held in bondage in Egypt, our sins bind us. They hold us captive. They keep us from living in the freedom that a clear conscience allows. We are all in desperate need of deliverance from the bondage of our sins.

Whew!! That is a task that seems impossible! But God has a plan. A perfect plan.

He sent His Son, Jesus. Jesus is our new and better Moses. Yes, Moses is an amazing hero! He delivered the Israelites, God's chosen people, out of their forty-year bondage in Egypt. But Jesus came, lived a perfect life, and died a terrible death so that each of us can be delivered from our sins. When He died on that cross, He took every sin that you have committed, are committing and will commit.

Now, our only job is to believe in Him, trust that He is who He says that He is and that He will do what He says that He will do. With that cemented into the crevices of your heart, all you have to do is ask Him to forgive you of your sin and repent. He will deliver you from the bondage that the sin had on you. That's when you get to live in freedom! Jesus is our new and better Moses! He delivers!

** Marriage Disaster

Steve and Jean were the happiest honeymooners in town – until that frightful crash on the highway. Steve was not badly hurt, but Jean was paralyzed from the neck down. Motionless on her bed, she could smile or she could cry, but she could not speak. She could eat if food was put in her mouth, but she could not lift a spoon.

In her presence, Steve was quiet and moody. Outside it he was furious.

"I'm out of here!" he vowed often and loudly. He snarled at the minister who came to call, "Preacher, tell me about your God. What a monster! Does He really enjoy seeing Jean like that?"

The minister was irritated. "Maybe God is trying to make a man out of you," he

snapped. "You have a contract, Steve. In the presence of God and a house full of people you promised to love, cherish, and keep Jean as long as you both would live. Men keep their promises, but you keep talking about getting out of here." "Nuts!" Steve's voice dripped disgust. "I married a woman. I'm not going to spend the rest of my life with a houseplant." So Steve drew his money out of the bank and vanished into the night. Jean's parents gave her tender, loving care until she died a year later. What do you do with your disasters – and what do they do to you?

Due to COVID-19 concerns

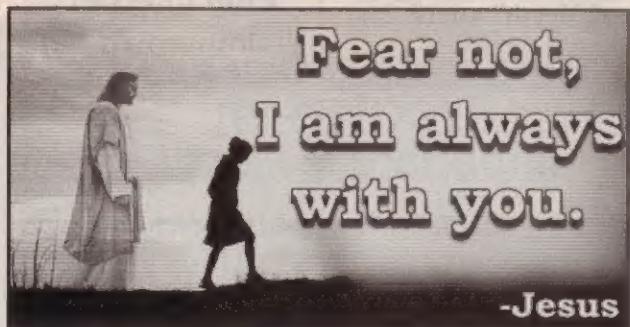

Senior Citizens Centers currently closed until further notice from SARCOA officials

The City of Elba received directive last week from SARCOA [South Alabama Regional Council on Aging] that all senior centers in the region will be closed beginning Monday, March 16, 2020, until further notice.

This directive affects all senior citizen centers in

Coffee County. Meals will still be provided to those seniors whom already participate in the meal program.

SARCOA is taking these steps because of their concern for the health and wellness of the seniors amid the COVID-19 pandemic.

Elba Elementary School announces Kindergarten Registration will be held next week on March 25th & March 26th

Elba Elementary School announced this week that it will conduct its 2020-2021 Kindergarten Registration on Wednesday, March 25, and Thursday, March 26, at the school.

Anyone with a child that has turned five years old or will turn five years old on or before September 1, 2020, is encouraged to bring their child to Elba Elementary School between the hours of 8:15 a.m. and 3:00 p.m. on March 25th or 26th. Parents will complete enrollment paperwork, and each child will be given a short screener involving basic kindergarten skills.

As a precaution, if the child is showing any signs of sickness, please do not bring him/her to registration. The school will have an additional time that the screener may be completed for them.

Each student enrolling in Elba City Schools for the first time will need the following provided by the parent/guardian at the time of registration:

1. Copy of child's birth

certificate

2. Social security card (If a student does not have an SSN, a temporary number shall be assigned as specified by the ALSDE)

3. Up-to-date certificate of immunization

4. Proof of residency (Current utility bill, mortgage statement, or rent lease agreement)

5. Parent/Guardian picture ID

6. If Applicable: Proof of Custody/Guardianship - Custody papers may be required if the student doesn't reside with both birth parents.

For additional questions concerning kindergarten registration, call principal Debra Strickland or counselor Kenya Martin at Elba Elementary - (334) 897-2814.

Elba Parks and Recreation hosts Commit to Health 5K Run / Walk

The Elba Parks and Recreation Department hosted its "Commit to Health" 5K Run/Walk last Saturday morning, March 14, in downtown Elba.

A dozen runners/walkers (shown above) participated in this early morning event, which took them on a journey through a portion of downtown and up on the levee as their course for the event. The weather was perfect for the run.

The overall winner was

Lain McCollough (shown right). He is the son of Lance and Kelly McCollough of Opp, Ala., and the grandson of Mickey McCollough of Elba.

Lain is an avid 5K runner and has a goal to run a 5K in every U.S. state one day.

While McCollough was the overall winner last Saturday, awards were presented as well to the top runners/walkers in each age division. Each participant also received an event t-shirt.

Elba Rec's Commit to Health 5K was made possible via a grant the department received to help promote healthy living within the community. Last month, the Rec department hosted a healthy living nutrition expo on the square, which presented many ideas to participants on how to cook and eat in a more healthy manner. The Elba Rec Department hopes to host more events like this in the future.

Elba Elementary teacher receives 'Teacher of Month' award

The February "Teacher of the Month" award for Southeast Insurance and Real Estate in Elba recently went to Elba Elementary School third grade teacher Kelly Wilson.

Wilson is in her third year teaching the third grade at EES. She taught fourth grade her first year at Elba.

Wilson has a Bachelor's

degree in elementary education from Troy University.

"I grew up in New Brockton before I moved to Opp," Wilson said. "I enjoy spending time with my family, at the beach, working out, and golfing with my husband."

Wilson is married to Cam Wilson, and they have one son, Slayton. The family also has a cat, Tinkerbell,

and a dog, Ellie. They are very involved with First Baptist Church in Opp.

Above, Southeast Insurance and Real Estate's Ronnie Young is shown delivering the teacher of the month award to Kelly Wilson at Elba Elementary School. They are surrounded by her third grade students.

ESCC/AAC meeting student needs during closure due to COVID-19 outbreak

Enterprise State Community College and the Alabama Aviation College are working to ease the transition to online learning for students, faculty and staff while sports faculty are preparing for possible changes in college sports.

Following a decision from Alabama Community College System on Friday, March 13, ESCC/AAC announced campus closures to students and the move to online instruction from March 17-April 3. On Sunday, March 15, Gov. Kay Ivey authorized state employees to work remotely, prompting full closures for students and non-essential faculty and staff.

"All of our Enterprise State and Aviation College campuses will be closed from March 17-April 3," ESCC President Matt Rodgers said. "While the campuses will be closed, our employees will continue to work remotely to serve our students. Only essential staff will be on campus on an as-needed basis."

Both Colleges are committed to continue the delivery of a quality instruction to their students, even on an online platform. To help ease this transition, Canvas support is being offered to faculty and staff members at both campuses. Additionally, all students are encouraged to complete an online survey on Canvas to help ESCC/AAC identify those with technology or online education needs.

ESCC/AAC received special support on Monday, March 16, from Enterprise City Schools, which donated up to 300 Chromebooks for faculty, staff and student use for the next three weeks.

"I want to thank Superintendent Greg Fought and Brad Johnson and Stacy Rodgers with ECS for their offer of these Chromebooks," President Rodgers said. "We appreciate their generosity during this very difficult time. We have and continue to maintain a strong relationship with ECS. This example demonstrates the sense of community and support that we have here in the City of Enterprise."

ESCC/AAC faculty and staff will continue to serve all current and future students. Recruiters and financial aid staff will follow a plan of action to continue contacting prospective students while online tutors and academic support will be available for students during campus closures. Technology and Canvas support will also be provided, and faculty and staff are prepared to monitor all communication channels to make sure all questions and concerns from our students and community are addressed.

"Our goal is to contact each student from all campuses by phone or email to let them know that we're supporting them during this time," Rodgers said. "We will also continue to provide support to not only our

current students, faculty and staff, but also our future students."

For any questions or concerns, contact ESCC's main line at (334) 347-2623 and follow instructions to reach the appropriate department. Students at the Enterprise campus and all other sites can also email enterpriseinfo@escc.edu with any questions. Students at the Ozark campus can email ozarkinfo@escc.edu.

In addition to education changes, the National Junior College Athletics Association (NJCAA) announced on March 16 that all spring sports seasons were cancelled, including practices and regular and postseason games. ESCC Athletic Di-

on-premises consumption of food or drink for one week. This order will be re-evaluated at the end of one week.

"These measures taken by the Alabama Department of Public Health are out of an abundance of caution in order to contain the area where the most cases of the COVID-19 are present," Governor Ivey said. "Alabamians living in Jefferson County and its surrounding counties are currently the most vulnerable to contracting the Coronavirus. I ask that Alabamians who live in these counties adhere to these regulations and would urge the rest of our state to do so as well, in order to mitigate the impact of the virus."

Ivey said ADPH is also strongly encouraging other counties across the state to adhere to these same guidelines as well, though not directly advised for them as of yet.

"I am encouraged to see so many of our citizens voluntarily self-regulate by practicing social-distancing — choosing to be safe rather

than sorry is always the smart move," the governor said. "We should not take precautionary measures for granted, but I encourage everyone to remember the old adage 'this too shall pass.' Adhering to smart protocol and practicing a little patience will pull us through this."

Alabama's state health officer Dr. Scott Harris added, "We need to do whatever it takes to ensure the safety of Alabamians and stop the spread of Coronavirus. The measures that have been taken in Jefferson

County are an important step. We are taking similar actions in the surrounding counties and encouraging all counties throughout the state to follow suit."

To help prevent the spread of respiratory viruses including COVID-19, the public is urged to continue practicing social distancing and other precautionary measures, including:

- Wash hands with soap and water.
- Use alcohol-based hand sanitizers if handwashing is not possible.
- Cover your mouth and

nose with a tissue, or cough or sneeze into your elbow.

- Avoid touching your eyes, nose or mouth with unwashed hands.
- Stay home when sick.
- Stay away from people who are sick.

ELBA

(Continued from Page One)

they are aware that all field trips for Elba City Schools, as well as, any assemblies or activities with large crowds are canceled until April 30th, effective immediately.

"This will affect the majority of our elementary school classes as most had field trips planned for April," Moseley said. "I hate the opportunities they will miss out on because of this situation, but we have to do what is necessary for the well-being of our students."

In compliance with Alabama High School Athletic Association [AHSAA] recommendations, spring sporting events are on hold at this time as well, with Tuesday, March 17, being the last date for any athletic activity until further notified.

"On Friday, March 13, the Governor and the Alabama State Department of Education released directives to close all schools across the state for a period of 2.5 weeks beginning Wednesday, March 18," ASHAA executive director Steve Savarese said. "As a

result, all athletic events and activities including, but not limited to, contests, practices, weightlifting, and conditioning are hereby suspended during this time."

Savarese further noted that the AHSAA had created a Spring Sport Contingency Committee to study and provide a plan regarding regular season and championship play. He said the date schools return to a regular schedule would determine what plan is implemented for the remainder of the school year.

"We are under advisement by the state to follow all these precautions, and as superintendent, I feel it is important to do our best to follow the recommendations of the health experts, and other state officials on this matter," Moseley said. "I realize there are lots of questions that are not currently answered due to the cancellation of several trips and activities, and I ask our community to please be patient with us as we work to get the answers ourselves."

Moseley said the school system would keep the cit-

izens of Elba as informed as possible as information becomes clearer on these matters. He said there are lots of questions for all involved but he assures everyone that Elba City Schools is doing everything it can to make sure the safety of the students is the number one priority.

"We want to be as fair as we can to everyone involved from having to cancel/postpone events to looking into refunds on trips that were already paid for by parents," Moseley said. "Please be patient with us as we all work through this together, and we will pass information along to you all as soon as it becomes available to us. We also will continue to provide information on any further cancellations affecting our schools."

Moseley said he knows this situation is hard on all, and he feels bad for it. However, he insisted the safety of the students must come first.

"I am a superintendent, but I also am a father," he said. "I too have to go home and tell my daughters that

they will not be going on their field trips. That is no fun, but we must do what is best for our schools as a whole."

Our grandson Lawson may have been the only student at the Elba Elementary School that was upset last week when it was announced the school would be closed for two and one half weeks in response to the worldwide virus that had been declared a pandemic. He really enjoys being around his fellow classmates and teachers, and wanted to know if he could still go to school and just wash his hands more often. I guess we will have to find something to do over the extended spring break to keep him busy!

For what it is worth....

*** *The Elba Tigers successful 5-2 start* on the baseball diamond was no more than a pleasant memory last week after three straight losses dropped their record to 5-5. The Tigers bats didn't show up in an early week loss to Goshen, failed to produce with runners in scoring position in a close loss to Brantley, and then went quiet again in a big loss to the Bulldogs. Elba's pitching continued to be solid in all three losses, but the lack of hits and some crucial errors in the field proved to be too much to overcome. In sports, a team is considered only as good as its last game, but we'll keep the hope here that the Tigers will rebound and recapture their early-season success on their way to the playoffs.

*** *The Elba Lady Tigers captured a much-needed win* last week after an 0-5 start as they pounded Zion Chapel 15-4. The Lady Tigers beat the ball all over the ballpark up at Zion Chapel in the lopsided win, and were led by Mikenzy Hooks at the plate with three doubles and a home run, and inside the circle by seventh-grader Ayrika Caldwell, who went the distance. The win should pump some life into the Lady Tigers as they head into area play this week.

*** *It was an interesting week* of baseball and softball action with plenty of games played by all area teams. In baseball, Brantley dropped an early-week game to Geneva, but bounced back with some big wins and is no doubt a state title contender, while Kinston clobbered Daleville, again, and may be a lot better than many fans realize; Zion Chapel continued to improve and is now a solid 2A team; and, New Brockton enjoyed a little time off. On the softball field, Brantley ran its winning streak to 12 games before running into a wall at a tournament in Dothan and suffering three losses, while New Brockton grabbed a key area win, Kinston kept on improving and Zion Chapel continued its early-season struggles. It will be interesting to see just how the long break affects the area teams, and how they will bounce back if, and when, the season continues.

*** *I am a firm believer* that much of the panic over the coronavirus reached a peak after the NBA suspended its season and the NCAA shut down its basketball tournament and then canned all spring sports. I know the virus is a deadly illness and must be contained, but this is a nation of sports fanatics and when the seasons were halted it got even more attention from those that probably hadn't paid much attention. While I have my doubts about the virus and its source, I do agree with Connecticut women's basketball coach Geno Auriemma. The highly successful college coach stated, "Sports is what separates people from worrying about color, religion and race. Sports is the one thing that makes people come together and rally around my team versus your team. People treat winning and losing like its life and death. Maybe in some philosophical way that is a reminder that it's a game, man."

Tigers caged by Goshen 6-1

The Elba Tigers hosted the Goshen Eagles last week in an afternoon matinee and managed only one hit in a 6-1 loss.

Goshen wasted little time taking command in the non-area game as the Eagles combined a bunt single, a walk and a three-run homer in the top of the first inning to jump out to an early 3-0 lead.

Goshen too advantage of a base hit and an Elba error to up its lead to 4-0 in the third, while the Tigers had their best offensive inning of the day in the bottom of the frame as Peyton McCart and John Martin Wilson both drew walks and advanced to second and third with two outs. A grounder to

the pitcher turned into out three; however, as Elba failed to get on the scoreboard.

Goshen added a lone run in both the fifth and seventh innings to increase its lead to 6-0, and while Elba did finally get on the scoreboard in the bottom of the seventh, it was way too little, way too late to catch the Eagles.

Paxton Wise drew a walk to open the Tigers half of the seventh, stole second, and raced home on an rbi single by Isaac Watkins to close the book on the 6-1 loss at home.

Isaac Watkins had the only hit for Elba and added one rbi, while Paxton Wise scored the lone Tiger run.

Area record slips to 2-2

Tigers swept by Brantley 6-2, 11-0

The Elba Tigers saw their area record slip to 2-2 last week after dropping a doubleheader to the Brantley Bulldogs 6-2 and 11-0.

Following is a recap of both games:

Brantley 6 Elba 2

The Elba Tigers jumped out to an early 2-1 lead, but failed to reach the plate again over the game's final five innings as the Brantley Bulldogs rallied to claim a 6-2 area win, in the first game of a doubleheader, in Brantley.

Brantley took a 1-0 lead in the bottom of the first when Lucas Richardson reached on a lead off walk and later came around the score on a fielder's choice, but Elba bounced right back in the top of the second and plated two runs to grab a 2-1 advantage.

A leadoff double by Connor Burrow and an rbi single by Paxton Wise pulled the Tigers even at 1-1, while Wise came around to score when Carson Wise followed with an rbi double to put Elba on top 2-1.

Brantley pushed across an unearned run in the bottom of the third to pull even at 2-2, then combined two hits with two Elba errors in the fourth to take a 5-2 lead.

The Tigers stranded runners on third base in the third, fifth and seventh innings, while Brantley pushed across an insurance run in the sixth to seal the deal on the 6-2 area win.

Connor Burrow had 2 hits and scored 1 run to lead Elba at the plate, while Paxton Wise added 1 hit and

scored 1 run and Carson Wise added 1 hit and 1 rbi. Blake Swan took the loss on the mound as he pitched five and two-thirds innings and allowed four earned runs on six hits, while striking out four.

Lucas Richardson had 2 hits, scored 1 run and had 1 rbi to lead Brantley, while Adam Carlisle added 1 hit, scored 2 runs and had 2 rbi's, and Jack Kennedy added 1 hit and scored 1 run. Mark Nichols was the winning pitcher as he tossed a complete game and allowed two earned runs on seven hits, while striking out two.

Iverson Lane and Collin Sauls both had doubles to lead the Tigers at the plate, while John Martin Wilson was saddled with the loss on the mound as he pitched three and two-thirds innings and allowed seven earned runs on eight hits.

Bryce Dunn had 3 hits, scored 2 runs and had 2 rbi's to lead the Bulldogs at the plate, while Jack Kennedy added 2 hits, 2 runs scored and 3 rbi's; Adam Carlisle added 2 hits, 1 run scored and 3 rbi's; and, Tucker Kilcrease added 2 hits and 2 runs scored. Samuel Tompkins was the winning pitcher as he tossed three innings, allowed one hit and struck out eight.

Lady Tigers zap Zion 15-4

The Elba Lady Tigers put an end to their early-season losing streak last week with a dominating 15-4 romp over the Zion Chapel Lady Rebels.

Elba went down in order in the top of the first and then watched as Zion Chapel plated two runs in the bottom of the frame to grab an early 2-0 lead. However, the Lady Tigers broke loose in the top of the second and plated seven runs to grab a big 7-2 advantage.

A leadoff double by Mikenzy Hooks ignited the second inning fireworks, while Ayrika Caldwell delivered a one-out rbi double to put the Lady Tigers on the scoreboard, and then scored on an rbi single by Hailee Layton to pull Elba even at

2-2. An rbi single by Danaeja Flowers and an rbi double by Madison Dooley kept the rally alive and put the Lady Tigers on top 4-2, and Aimee Senn added an rbi double and Mikenzy Hooks came through with a bases loaded double as the Lady Tigers took command.

Zion Chapel cut the lead to 7-3 in the bottom of the inning, but the Lady Tigers added a run in the third to up their lead to 8-3 when Hailee Layton and Danaeja Flowers singled, and Layton raced home on an rbi single by Aimee Senn.

Elba continued its assault at the plate in the fourth inning as the Lady Tigers banged out six hits and plated five runs to extend their lead to 13-3. A leadoff triple by Jaylyn Baker lit the fuse on the offensive fireworks, while Mikenzy Hooks added her third double of the game to drive in Baker, Zaida Williams added an rbi double, and Hailee Layton and Aimee Senn both delivered key rbi triples as the Lady Tigers took complete command.

Mikenzy Hooks blasted a two-run homer in the top of the fifth to push Elba's lead to 15-3, and the Lady Tigers easily held on to claim the 15-4 road win.

Mikenzy Hooks had 4 hits, scored 3 runs and knocked in 5 runs to lead Elba at the plate, while Aimee Senn added 3 hits, scored 1 run and had 3 rbi's; Hailee Layton added 3 hits, scored 1 run and had 2 rbi's; Ayrika Caldwell added 2 hits, scored 1 run and had 1 rbi; and, Jaylyn Baker added 1 hit and scored 3 runs.

Ayrika Caldwell was the winning pitcher as she pitched five innings and allowed three earned runs on five hits, while striking out seven.
